Thank you for working hard with your parent/guardian to select the best courses for you and your future!

Before you submit your course selections, please make sure you have:

- Checked to make sure you have the necessary prerequisites for every course chosen
- Carefully read the course descriptions provided, using the Course Calendar button and the posted resources through the "Notification" board
- Read the feedback provided by your Guidance Counsellor
- Selected 8 courses and two alternatives (except grade 12s who need fewer to graduate)

Take good care to plan your courses carefully. There will be an opportunity to request a course change by form in late February/early March, based on semester 2 experiences and another opportunity in late August. Not all requests in August can be accommodated due to timetable constraints and limited space in courses. Because of these limitations, students are encouraged to make the most informed decisions as possible at this point. Parent/Guardian permission is required for all course change requests. Please keep a copy for your records.

**STUDENTS MUST SUBMIT this signed form to their homeroom teacher by January 13th**
